Item 8.01 Other Events

Balance Labs, Inc. (the “Company”) will be relying on the Securities and Exchange Commission’s Order under Section 36 of the Securities Exchange Act of 1934 Granting Exemptions From Specified Provisions of the Exchange Act and Certain Rules thereunder dated March 4, 2020 (Release No. 34-88318) (the “Order”) to delay the filing of its Quarterly Report on Form 10-Q for the quarter ended March 31, 2020 (the “Report”) due to the circumstances related to COVID-19. In particular, COVID-19 has caused severe disruptions in transportation and limited access to the Company’s facilities resulting in limited support from its staff and professional advisors. This has in turn, delayed the Company’s ability to prepare and file the Report. Notwithstanding the foregoing, the Company expects to file the Report no later than June 29, 2020 (which is 45 days from the Report’s original filing deadline of May 15, 2020).

The Company will be including the following disclosure with regard to the effect of the coronavirus in the Management’s Discussion and Analysis of Financial Condition Section into its Report:

The recent coronavirus (COVID-19) outbreak could adversely affect our financial condition and results of operation.

The coronavirus pandemic may adversely impact our operations and demand for our services and our ability to find new clients. This is due in part to restrictions such as: social distancing requirements; stay at home orders and the shutdown of non-essential businesses and the impact these restrictions have on small businesses and their ability to generate revenues which effects their ability to afford our services.
